## Expectations of Students and Parents

To attend dances, the following expectations apply:

- 1) Unless otherwise announced, school dances take place evenings from 7-9:30pm. Students **MUST** be picked up at 9:30, promptly following the end of the dance. If students are not picked up on time, **they may not be eligible for the next dance.**
- 2) You must be a student in good standing academically, with good behaviour and consistent attendance. Poor attendance, behaviour or academic performance may prevent students from being able to attend dances.
- 3) Along with good attendance, you must be at school on the day of the dance.
- 4) Students can sign in an approved guest student from other schools/homeschools. Students above grade 9 (10 and up) or below grade 7 (P-6) are not eligible to be invited. A sign-in form is attached to this permission form. SSWS will call the administration or the homeschool the student to check if they are in good standing and eligible to attend the dance. We will inform you the week of the dance whether your guest is approved. The parents of the SSWS student signing in a guest are responsible for the behaviour of the guest.
- 6) Students who are signed in to the dance and are approved by the administration are only allowed to come to the dance if the student signing them in is present at the dance. That student cannot come until their sponsor is there. If the SSWS student signing in does not show, then that student cannot come into the dance.
- 7) If you leave the dance early, you are not eligible to come back in. Students are not allowed to hang out outside during the dance. School staff will call home to notify the family that the student has left. This includes students' guests.
- 8) Parents are not allowed to attend the dance unless asked by the school staff.
