## Payment options

For the 2022-2023 school year, we are accepting post-dated cheques and e-transfers. Post-dated cheques must be received by August 1 or at the time of registration, whichever is later.

**Option 1:** Payment in full, on or before August 1, with applicable discount (see above).

**Option 2:** Payment in full, August 2 - 31. This option saves the finance fee.

**Option 3:** Ten equal payments (August – May) payable on the 1<sup>st</sup> or the 21<sup>st</sup> of the month. A 2.5% finance fee will be added to the total outstanding amount on August 2. If you wish to reduce your monthly payments by making a lump sum payment, you may do so at any time. Any lump sum payment received before August 1 will not be subject to the finance fee.

**Option 4:** Four equal payments on August 1, October 1, January 1, and March 1. A 2% finance fee will be added to the total of the tuition and fees. Any lump sum payment received before August 1 will not be subject to the finance fee.

Arrangements regarding any outstanding amounts owed to the school from previous years must be made with the finance committee before payment option 2 – 4 will be approved.

## Overdue Amounts

An interest charge of 1.5% applies to all payments overdue by 30 days. Any amounts overdue by 60 days or more will be charged to the credit card on file. If payments are late more than 2 times consecutively, a meeting with the Finance Committee will be arranged to discuss options.
